MANI-PEDI
pod

The benefits of a good manicure and pedicure aren't surprising - from promoting healthy nails and the appearance of younger hands and feet, to an improved sense of mental health and wellbeing - we highly recommend a good-for-you treatment in our brand new mani-pedi pod. Our expert technicians are skilled in the art of nail care and will help you choose the best products and treatments for your nails and your lifestyle. Where possible, all our products are better for the earth, and better for you.

You're one manicure (or pedicure) away from a good mood. Promise.

Gel

EVO by Bio Sculpture. Boasting the latest technology in gel formulation and infused with vitamin A and E, EVO Oxygenating Base & Build leaves the nail nourished and rehydrated, requires minimal buffing and offers effortless removal.

BIOGEL by Bio Sculpture. The original, professional, easy wear nail gel system, suitable for every nail type and excellent for extending and strengthening nails, BIOGEL is chip-resistant, has a long-lasting gloss finish and cures in just 30 seconds.

Nail polish

GEMINI by Bio Sculpture. GEMINI contains hardening plant extract agents derived from Aloe Vera, Lemon and Ginseng. It's fast drying and long lasting, and will add strength to the nail. Gemini has a UV filter and is Styrene-free.
